NAUI Advanced Scuba Diver Course

Let your underwater adventure continue! Apply your scuba skills as you explore new dive sites and activities under the supervision and training of your NAUI Instructor. Learn which diving specialties interest you, and what type of diving you enjoy most. Gain more confidence and capability. Begin to consider the direction diving will take you, as you go for everything it has to offer.

The Advanced Scuba Diver course is an enjoyable certification course for 12-year-old (or older) certified divers who desire additional training, have moved from one diving area to another and desire local orientation, or do not have but wish to obtain NAUI certification.

As part of your certification, you will complete a minimum of six open water dives including three separate dives for navigation, night or low visibility diving and deep diving (130 feet/40 meters maximum depth). You will also complete a buoyancy clinic, a rescue scenario, and a wreck dive.
